Dear Canadian Big Band Celebration (CBBC) Supporters,

Our 30th CBBC will be held the weekend of September 25-27th this year. As past and present sponsors of the CBBC we'd like to **thank you** for your many years of support. We couldn't have kept this festival going for 30 years without the sponsorships from our local businesses, community at large, and CBBC volunteers.

The CBBC festival provides many of our local musicians with an opportunity to participate in events that help celebrate the rich musical heritage of the past and present in Saugeen Shores.

Please help support us so the CBBC can continue to celebrate our unique musical heritage by choosing one of the sponsorships listed below. If you have any questions please email info@canadianbigband.com

Yours sincerely,
CBBC Committee
